Let support the student's movement in Iran

Dear Iranian straggler and resistant

The Student's movements along with people in Iran gradually getting more serious; therefore they are strongly challenging the criminal government (Islamic Republic of Iran). This year the Iranian in exile across the glob start demonstration and mass protest to supports the student's movement and their demands inside Iran. They condemn Islamic Republic of Iran and the same time reflects the student's movement inside of Iran to the outside world.

Komala Organization Canada's branch –committee- strongly support this movements and straggle inside of country (Iran), and demand the all Komala's members and supporters to join and participate in these demonstration and protests will be held across Canada against Islamic Republic and to support the people's straggle and movements.
