Mr. Goran Persson,
Sweden's Prime Minister,
Stockholm,
Sweden

Mr. Prime Minister

The tragic death of Mrs. Anna Lindh, your government's foreign minister, caused deep sorrow among us in Kurdistan. Mrs. Anna Lindh was a prominent politician who had combined deep respect for human rights and values with political wisdom. We will never forget that she was especially a valuable friend of the Kurds and an outspoken supporter of the rights of the Kurdish people.

I, on behalf of the Komala Party of the Iranian Kurdistan and the Kurdish people in Iran, offer my deep condolences to her family and friends, to Your Excellency and your government and through you to the Swedish people.

Yours Faithfully,

Abdulla Mohtadi
Secretary General of the Komala Party of the Iranian Kurdistan
