

**URGENT NEWS!**

***Esmail Mohamadi is in danger of imminent execution!***

Today, Thursday April 21<sup>st</sup>, branch 24 of Iran's Supreme Court with communiqué number 152, issued execution order of Esmail Mohamadi and gave it to him. Mr. Esmail Mohamadi is the Kurdish political prisoner from the city of Boookan who's married and has 5 children. He has been held and tortured for the last 3years in the notorious prisons of the Islamic Republic on charges of political activism and supporting Komala, one of the active political parties in Kurdistan's arena of political struggle. The Islamic Republic of Iran has issued the execution order of Esmail Mohamadi under such circumstances that's being condemned by United Nations' Human Rights Commission for regime's many executions and tortures.

To save the life of Esmail Mohamadi, a Kurdish political activist, many letters of support by many human rights organizations and Labour unions across the world put pressure on the criminal regime of the Islamic Republic and forced it to postpone his execution. Therefore, it's imperative for all human rights defenders and activists to step up pressure on the atrocious regime in order to prevent the execution order from being carried out.

By executing a Kurdish political prisoner, the Islamic Republic of Iran that is under tremendous international pressure has attempted to strike fear among the masses of protesting nations of Iran demanding their civil and ethnic rights.

**Struggling People! Decent Human Beings! Parties Defending Human Rights!**  
Don't let the criminal Islamic Republic regime to spill the blood of another human being; let's all protest this inhuman order by sending our letters, e-mails, and faxes to save the life of a human political activist.
